

REMARKS:

The incorrect IN THE CLAIMS section of the Second Amendment filed December 10, 2009 in the subject U.S. patent application, together with a Request for Continued Examination (RCE), is replaced by the enclosed REPLACEMENT IN THE CLAIMS section. Since boxes 4C and 4E were checked on the Notice of Non-Compliant Amendment, it is believed that only the submission of the corrected section of the non-compliant Second Amendment is appropriate. It is further believed that no fees are required in connection with this submission. If such fees are required, they are to be charged to the Deposit Account No. 10-1213 of the undersigned.

Respectfully Submitted,

Martin BECKER et al.
